Cameron Park Airport District
3374 Mira Loma Drive
Cameron Park CA 95682

Dear CPAD Board of Directors

On behalf of the Cameron Park Airport Foundation (CPAF), I am pleased to inform you that the Cameron Park Airport District has been identified as the recipient of a grant of \$59,976.00 to support the acquisition and implementation of a new AWOS-3 weather reporting system at Cameron Park Airport.

Subject to certain terms and conditions, this grant is specifically allocated for expenses related to the preparation, purchase, installation, and maintenance of an upgraded AWOS system from the current Level -1 to -3. We believe that this enhancement will significantly improve the safety of airport operations, benefiting both local and visiting pilots to this public use airport.

Enclosed with this letter, you will find the grant agreement detailing the terms and conditions of this award. We kindly request that you review, sign, and return the agreement by December 16, 2024 to initiate the funding process.

We commend CPAD's commitment to advancing aviation safety and are confident that this project will have a lasting positive impact on Cameron Park Airport. Should you have any questions or require further information, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Knud Kirkegaard', is written over a faint, large watermark of the word 'DRAFT'.

Knud Kirkegaard
President
Cameron Park Airport Foundation
